

Concertos: Not just for Concert Pianists

Dr. Meg Gray and Dr. James Knight

Music Teacher's National Association GP3
Lightning Talk presentation, August 7, 2026

Expands on Technique and Balance

- Class piano students learn to perform cadenzas on a secondary instrument
- If using digital keyboards, students need to choose sounds wisely

Challenges Students of Different Levels

- In class piano, some students have more piano experience than others
- This allows them all to be challenged

Concertino in Dance Styles by Melody Bober
