

## MTNA Grants Summary

	Teacher Enrichment Grant	Community Engagement Grant	Affiliate Grant	Collegiate Enrichment Grant	Collegiate Travel Grant
<b>General Description</b>	Teacher Enrichment Grants are available for private study, specific college-level course work or projects in performance, pedagogy, music theory and composition.	Community Engagement Grants focus on programs and projects that bring together MTNA teachers, students and the local community, and focus on projects that engage the community in making music, appreciating music or attending live music events.	These grants provide financial assistance to any state or local affiliate for the purpose of professional development, continuing education or member involvement.	The purpose of these grants is to provide financial assistance to MTNA Collegiate Chapters for the development of the Chapter's presence in the community through projects offering educational and professional development for collegiate members, as well as support and promotion of music in the community.	The purpose of these grants is to provide financial assistance to individual collegiate members to attend a national event, specifically the MTNA National Conference or the Collegiate Symposium.
