Categories A and B fulfill Standard IV; Categories C and D, Standard V. Other music, education or business management related activities may be submitted to the National Certification Commission for consideration and approval.

**STANDARD IV: Professionalism and Partnerships** (minimum of one [1] professional renewal activities/points required)

- A. Contributing to the Profession.** Competent music teachers contribute to the professional growth of their colleagues, their studios and schools, their professional associations and to their profession at large.
- B. Building Partnerships.** Competent music teachers understand and appreciate the unique position that the family unit, colleagues and the community play in the musical education of students. They actively seek opportunities to build and nurture partnerships with them.

**STANDARD V: Professionalism and Personal Growth** (minimum of one [1] professional renewal activities/points required)

- C. Evaluating Professional Growth.** Competent music teachers continually evaluate their personal teaching philosophy. They regularly assess their teaching and professional growth to expand their knowledge and improve their teaching.
- D. Continuing Education.** Competent music teachers enhance their understanding of current pedagogical materials and methods, technology and business management through continuing education.
