Mozart

Piano Sonatas Volume 1, K. 279-284; K. 309-311

Edited By Stewart Gordon

This first in a new two-volume critical edition of Mozart's piano sonatas, edited by Dr. Stewart Gordon, provides all the tools necessary for a stylistic performance. Gordon's thorough research of the earliest available sources, as well as careful study of all modern editions, has captured the most accurate reflection of the composer's intent. These newly engraved editions contain helpful fingering suggestions and performance recommendations, as well as extensive scholarly information about the sonatas and their historical context. These editions are essential for the library of every pianist.
