

Piano Maestro

A fun and engaging piano tool for increasing motivation and practice, created by music educators for piano teachers

From playing a single note to complete pieces, Piano Maestro helps your students master sight-reading, rhythm, technique, playing with both hands and more. Recommended and used by over 28,000 teachers worldwide.

Unlimited Journey Access

Progress by chapters, rising in difficulty level. As your students' skills improve, more chapters unlock

2,800 songs and exercises including 1,200 licensed pop & rock songs

Over **50 method books**, including Jennifer Eklund's Piano Pronto, Daniel McFarlane's Supersonics Piano and Hal Leonard

Interactive listening to recognize your piano or keyboard, giving real-time feedback

Practice options to learn songs step-by-step to personalize your students learning experience

3 months FREE to Piano Maestro for Studio+Home memberships

To help make remote teaching easier during these times (valid until June 30, 2020)

"New families only chose my studio because I use technology and Piano Maestro." Emily Quiles, piano teacher, Kansas
